# Trading Post Mission Project

Each summer, we choose a mission project as an option for the campers to donate toward by using the remainder of their Trading Post account money at the end of each week. This summer's donations will be going to assist the New Birth Christian School in the Dominican Republic, with the purchase of computers for their Middle School Students. Past Cove Valley Camp summer staff Benedid (2021-2023) and JuanSa (2023), are both employed by the school.

Please follow this link to view a video of the high schoolers using their computers, with Benedid as their teacher. <https://youtu.be/P3K14MjOVul?si=L8-AyfDTCEd9pRI3>

New Birth's mission is, "To be an educational institution recognized for its Christian base, that gives an alternative for higher quality in education and responsibility. That promotes academic development that will help build a more just and compassionate society". We are excited to be able to partner with New Birth Christian School in 2024!

# Online Photo Gallery

During registration there will be an email address list for you to confirm that we have the correct email address for you on file.

Within the first full day of your child's camp, we will send you an email that will include a link for the site where you will find the photos. Once into the site, you will again have the option of viewing and downloading the photos.

If you do not receive the email within the first two days of camp, please email us at: [programassistant@covevalleycamp.com](mailto:programassistant@covevalleycamp.com)

# Lost and Found

Please clearly mark all clothing & personal items so that found items can be returned to you at camp. We encourage you to label all belongings! If you would like to buy labels, Mabel's Labels is a great site where you can order your labels for camp this summer!

Go to [camps.mabelslabels.com](http://camps.mabelslabels.com) and select **Cove Valley Christian Youth Camp** in the dropdown box. A portion of your purchase goes to support the camp.

# Something to Avoid

If this is your child's first trip away from home or you know your child may get homesick, please follow these guidelines:

1. **Do not mention the word "HOMESICK" in front of your child.**
2. Instead of reminding the camper of home, talk about all the fun they'll have at camp. In letters and emails, ask about what the camper is most excited about, what they've had the most fun with so far, and other things to keep them focused on being here. Unfortunately, saying things like "We will miss you", "I am only a phone call away", and "If you want to come home, have them give me a call" tends to make the camper focus on home and makes homesickness much worse.
3. Set your child up for success. Present going away to camp in a positive way (i.e. talking about all the fun they'll have, the memories they'll make, asking what they're looking forward to, etc.).
4. We will encourage each camper to make it through the week.

For more information on homesickness please visit: <http://www.acacamps.org> and search "Homesickness".

Dear Parent,

Thank you for choosing to send your child to Cove Valley Camp. We want to make their experience here the best that it can be. Often parents ask me what they can expect for their children to experience here at camp.

At Cove Valley Camp, your child will...

1. Interact with staff that love Jesus and have a heart for serving children and youth. We are here as staff for the campers!
2. Hear the good news of the Gospel. Our goal is to see all campers come to accept Jesus as their Savior and grow in their relationship with Him. The Gospel is presented and modeled to the campers, but it is not forced on them. We trust that the Holy Spirit is working here in each camper and staff members' heart.
3. Be unplugged! Each week of camp is a great way for your child to get away from technology (tv, tablets, cell phones, etc.) and decompress. Being unplugged will help them to focus on the wonder of Creation and the relationships around them.
4. Come into contact with campers that are working through some home/personal issues. We do our best to create a positive environment for growth.
5. Not have a "perfect" week. Expect that there will be some challenging situations for your child to learn and grow from. Campers do not always get along with others or connect immediately with staff members. Spending a week together is always a great opportunity for the love and grace of Jesus to shine through in possibly challenging situations.
6. Be loved, cared for, and given every opportunity to have a great experience!

Again, thank you for choosing Cove Valley Camp and entrusting us with your child. This is an honor and a privilege. See you this summer!
