Trading Post Mission Project

At the end of each week, campers have the option to donate their unused Trading Post funds to our designated missions project. This summer's donations will be going to assist the Puckett Family. Four of the children have been campers here at Cove Valley Camp. They are currently serving in Southeast Asia as missionaries with Eastern Mennonite Missions. Below is a note from the Puckett family.

"We are the Puckett family and we served in Indonesia for 7 years but we have recently transitioned to Cambodia. Our first term is focused on language learning and we have just completed a 5 month language intensive program with YWAM and it's been so exciting to be able to do songs, games and share Bible stories with the kids in the surrounding villages. Our 2 oldest girls completed the school with us as well and it is encouraging to see them making Khmer friends and using their language to communicate and play games! We are now moving into a remote village where our teammates live and will be continuing with language study and immersion. Our desire is to share the gospel to unreached areas and to see the Cambodian church grow."

Online Photo Gallery

During registration there will be an email address list for you to confirm that we have the correct email address for you on file.

Within the first full day of your child's camp, we will send you an email that will include a link for Smugmug, the site where you will find the photos. Once into Smugmug, you will again have the option of viewing and downloading the photos.

If you do not receive the email within the first two days of camp, please email us at: programassistant@covevalleycamp.com

Group Picture

An 8x10 photo of the entire group with the camp logo, week, and dates printed on the picture.

The cost is \$5. If you purchase a group picture they will be sent home with your child at the end of the week. The group picture will also be available to download for free.

Lost and Found

Please clearly mark all clothing & personal items so that found items can be returned to you at camp. We encourage you to label all belongings! If you would like to buy labels, Mabel's Labels is a great site where you can order your labels for camp this summer!

Go to camps.mabelslabels.com and select **Cove Valley Christian Youth Camp** in the dropdown box. A portion of your purchase goes to support the camp.

Something to Avoid

If this is your child's first trip away from home or you know your child may get homesick, please follow these guidelines:

1. **Do not mention the word "HOMESICK" in front of your child.**
2. Instead of reminding the camper of home, talk about all the fun they'll have at camp. In letters and emails, ask about what the camper is most excited about, what they've had the most fun with so far, and other things to keep them focused on being here. Unfortunately, saying things like "We will miss you", "I am only a phone call away", and "If you want to come home, have them give me a call" tends to make the camper focus on home and makes homesickness much worse.
3. Set your child up for success. Present going away to camp in a positive way (i.e. talking about all the fun they'll have, the memories they'll make, asking what they're looking forward to, etc.).
4. We will encourage each camper to make it through the week.

For more information on homesickness please visit: <http://www.acacamps.org> and search "Homesickness".

Dear Parent,

Thank you for choosing to send your child to Cove Valley Camp. We want to make their experience here the best that it can be. Often parents ask me what they can expect for their children to experience here at camp.

At Cove Valley Camp, your child will...

1. Interact with staff that love Jesus and have a heart for serving children and youth. We are here as staff for the campers!
2. Hear the good news of the Gospel. Our goal is to see all campers come to accept Jesus as their Savior and grow in their relationship with Him. The Gospel is presented and modeled to the campers, but it is not forced on them. We trust that the Holy Spirit is working here in each camper and staff members' heart.
3. Be unplugged! Each week of camp is a great way for your child to get away from technology (tv, tablets, cell phones, etc.) and decompress. Being unplugged will help them to focus on the wonder of Creation and the relationships around them.
4. Come into contact with campers that are working through some home/personal issues. We do our best to create a positive environment for growth.
5. Not have a "perfect" week. Expect that there will be some challenging situations for your child to learn and grow from. Campers do not always get along with others or connect immediately with staff members. Spending a week together is always a great opportunity for the love and grace of Jesus to shine through in possibly challenging situations.
6. Be loved, cared for, and given every opportunity to have a great experience!

Again, thank you for choosing Cove Valley Camp and entrusting us with your child. This is an honor and a privilege. See you this summer!
