# Golden Age Speakers

This year's Golden Age Retreat will look a little different compared to previous years. We will have various pastors from local churches that will be sharing during the retreat's Chapel sessions. The theme, "Salt & Light", will stay the same, but each day we will have a new speaker to share with us about the theme. We are looking forward to an impactful week of studying Matthew 5:13-16 and being challenged to be "Salt & Light".

# Bird & Nature Walks

A highlight of Golden Age Retreat is the Bird & Nature Walks led by Paul Clemmer and Larry Lehman. They have a passion for birding, and are excited to share it as we observe God's wondrous Creation with fellow believers!
